SUBJECT INDEX

Articles in Commentary, Editorial/Guest editorial, News, Opinion, Research news, and S&T in India; books reviewed and letters in Correspondence and Scientific correspondence are also listed by title alphabetically under the respective category name.

ab initio algorithm 293 (Research article)
Abstracts of medal lectures delivered at the Third AGM of MRSI 638
Advanced materials 774 (S&T in India)
Aeschynomene 746 (Research communication)
Afforestation in dry tropics 715 (Opinion)
Al-matrix composites. 644 (Abstract)
Albitite 635 (Research communication)
Algal farming 275 (General article)
Alkali metal vanadates 297 (Research article)
Alwar quartzite 427 (Research communication)
Aminosugar metabolism 400 (Review article)
Andaman–Nicobar arc region 86 (Article, Seismology in India special issue)
Apollonius, Kepler and Einstein 601 (Commentary)
Aquaculture 275 (General article)
Archaean greenstone belt 741 (Research communication)
Aromatization index 662 (General article)
Asymmetric synthesis 503 (General article)
Atmospheric chemistry, global warming 469 (Research article)
Avian pancreatic polypeptide (APP) 564 (Review article)
Avian resistance 564 (Review article)
Axisymmetric spectral model 732 (Research article)

Barley starch 430 (Research communication)
Benioff zone 72 (Article, Seismology in India special issue)
Bhagwanpura limestone 371 (Research communication)
Bhopal tradegy 327 (News)
Bifluorides 297 (Research article)
Bioreactor technology 507 (General article)
Biotechnology in moriculture 283 (General article)
Biotechnology in sericulture 283 (General article)
Black shales 528 (Research communication)
Blalock—Taussig procedure 451 (General article)
Body wave travel times analysis 163 (Article, Seismology in India special issue)

Book reviews
Annual Review of Biochemistry, Vol. 60, 1991 647
